

2025-26 Membership fee recommendation

Following a comparison of membership costs for similar relatively local club, it was found that our pricing sits higher for some categories of membership and lower for others, as follows:

Higher Than Average:

Family (2 Adults & 2 Children)
Juniors (10-17)
Adults (26-64)

Lower Than Average:

Girl Friday Club (10-17 or similar)
Students (18-23)
Adult Country (25+ miles)
Young Adults (18-25)
Adults (65+)

Overall, the committee wish to keep membership fees in line with inflation – meaning a slight increase is recommended.

Considering the information gained in the survey conducted, as above, our proposal raises the standard Adult and Family categories by a lower percentage than the over 65's, who continue to benefit from a significant discount on the standard adult membership fee.

	2024-25 Fees	Recommended 2025-26 Fees	% inc.
Adults	£270	£275	1.85%
Young Adults	£165	£169	2.42%
Over 65's	£242	£252	4.13%
Juniors	£85	£88	3.53%
Family	£539	£549	1.85%
Country	£165	£169	2.42%
Students	£88	£89	1.14%
GFC	£45	£50	11.11%
Pickleball	£50	£50	Nil
Social	N/A	£30	N/A

In terms of Juniors, whilst the comparison suggests they already pay more than elsewhere, we feel the offerings differ quite significantly, with not everywhere providing coach led sessions within the fee.

Non-Members Fees

Additionally, non-members, who may play up to 4 times in a year, are charged £4 to play at the club, and it is recommended that this is increased to £5 each time they play.
